The Government Employee/ Pensioner can enroll or include his / her family members, as stated above, online under a new category "**Relationship (Critical Diseases)**", if the dependents are not covered under any other Government Health Scheme which offers similar facilities. However, the said dependent member of the Government Employee / Pensioner having a Medical Insurance Policy would be allowed to claim reimbursement of only residual medical expenses left after claim of the Insurance Company has been settled.

A medical claim against the original vouchers/ cash-memos would be raised by the dependent member first from the insurance company who would issue a certificate for the amount of settlement. He would then prefer his medical claim along with the certificate and photocopies of vouchers / cash memos of the medical treatment to the concerned office. The CCA/ Head of Office/PSO would then reimburse to the Government Employee/Pensioner only the balance admissible amount on the basis of approved rates i.e. admissible amount minus the amount reimbursed by the insurance company.
