To : Sri D.C. Sarkar, IAS

Sub: Identification and issuance of certificate by Revenue Inspector in respect of Group Insurance Scheme for landless agricultural labourers and provident fund for landless agricultural labourers.

Sir,

The Group Insurance Scheme for Landless Agricultural Labourers (LALGI) and Provident Fund Scheme for Landless Agricultural Labourers (PROFLAL) are two schemes implemented by the Department of Panchayats & Rural development. Under these two schemes, insurance and provident fund facilities are respectively extended to landless agricultural labourers throughout the state. Both these schemes are being implemented by the gram panchayats. A certificate by the local Revenue Officer to the effect that there is no land (in case of LALGI) or no land in excess of 0.5 acre (in case of PROFLAL) is recorded in favour of the applicant is necessary.

I would, therefore, request you to issue an order instructing the Revenue Inspector/BLRRO to issue necessary certificate/ endorsement as and when they are approached by the Panchayat Authorities/ individual applicants.

Yours faithfully,
R. Kar
Director of Panchayats & R.D.
West Bengal.
