No. 529-F

Dated, Calcutta, the 19th January, 1985

Subject : Procedure regarding submission of applications by those in Govt. Service for admission to various examinations/selections conducted by the Public Service Commission, West Bengal.

Under the existing system for the purpose of appearing in different recruitment examinations conducted by the Public Service Commission, West Bengal, candidates serving under Govt., Local or Statutory bodies are required to submit their applications through their appointing authorities or to submit 'no objection certificate' from their appointing authorities.

2. It has been brought to the notice of Govt. that very often the letters of permission of the appointing authorities in such cases do not reach the Commission's Office even after the finalisation of results. The Commission is thus placed in an embarrassing position.

3. After careful consideration of the matter it has been decided, in order to remove the practical difficulties mentioned in para 2, that persons already in Government service, who wish to appear at a competitive examination conducted by the Public Service Commission, West Bengal or wish to apply for a post, recruitment to which is proposed to be made by selection through the Public Service Commission, may submit their completed applications in the prescribed form direct to the Commission. They should, however, immediately inform the Heads of their Offices/Departments giving details of the examination/post for which they have applied, requesting them to communicate their permission to the Commission directly. In case the Head of Office/Department considers it necessary to with-hold the requisite permission he should inform the Commission within 30 days of the closing date for the receipt of the application. In case no such communication is received from the Head of Office/Deptt. it shall be presumed by the Commission that there is no objection on the part of the employing Deptt. to the candidature of the Govt. employee in question to be considered by the Commission.

4. The Administrative Deptts. are requested to bring these instructions to the notice of all concerned including attached and subordinate offices as well as public sector undertakings, local/statutory bodies under their administrative control.

No.12946-PBII

Calcutta, the 27th December, 1985

MEMORANDUM

Prior to amendment of rules for recruitment to the WBSLRS, Grade-I in 1981, appointments to the said services were made subject to satisfactory completion of a course of pre-service training. During the period of training they were allowed to draw a fixed amount of training allowance. Such trainees on satisfactory completion of training and fulfilment of other conditions were formally appointed to service on the time scale of pay attached to the services. But the period of pre-service training was not treated as Govt. Service.

2. A good number of employees who has been serving under different departments and offices of the Govt. in permanent and temporary capacities or with permanent and quasi-permanent status, having applied through their respective appointing authorities were also selected for undergoing training on open competition with outsiders. Some of them had been drawing pay at a stage higher than the initial of the scale of pay of the W.B.S.L.R.S. Grade-I. They had also to undergo the course of training and were formally appointed to the service after satisfactory completion of the training like freshers. Since the training was 'Pre-service one' such employees had to suffer break-in-service during the period which cost them the retirement and other benefits accrued by virtue of their service under the same Govt. prior to joining the training course.

3. In consideration of the hardship of such employees both financial and otherwise and with a view to regularizing the matter the undersigned is directed by order of the Governor to say that the Governor has been pleased as a Special case to decide that :-

(i) The period of pre-service training of such Govt. employee be regularized by grant of leave. The leave salary should be restricted to half average pay in terms of rule 162 of W.B.S.R. Part(I). In addition, they would be entitled to fixed allowance as already drawn by them. In case of those who had no half pay leave or the required number of half pay leave at his credit at the time of joining the training course, the period not covered by half pay leave should be regularized by grant of extra-ordinary leave without pay which would qualify for pension etc. in terms of rule 30 of W.B.S. (D.C.R.B.) Rules, 1971 and in relaxation of rule 28 ibid.

(ii) Where necessary last pay drawn by such employees should be protected while fixing pay in W.B.S.L.R.S. Grade-I i.e. their pay should be fixed in terms of rule 42 of the W.B.S.R. Part-I read with rule 54 and 55 ibid and Finance Department's Memo No. 4997-F, dated 05.12.70 as the case may be.

(iii) The orders for regularization of break-in-service by grant of half pay leave or extraordinary leave without pay as the case may be as also for the protection of pay where necessary of such employees will be issued by the Board of Revenue, West Bengal. The charges on account of the leave salary for the period shall proceed as a special case against the appropriate budget head of the Board of Revenue, from which the salaries of the officers concerned are drawn.

(iv) This issues with the concurrence of the Finance Department vide their UO No. 409 Group-DII dated 19.12.85.

Memo No. 13489-PB II
298/80

dated, Calcutta, the 27th August, 1987

MEMORANDUM

In terms of G.O. No.12946-PB II dated 17.12.85 the Governor had been pleased to regularize the period of Pre-service Training prior to joining the W.B.S.L.R.S. Gr-I in case of those Government employees who after putting in service for a considerable length of time had undergone the said pre-service training and eventually suffered breaks-in-service, by grant of half-pay leave what was due to them prior to their joining the pre-service training camp and extra-ordinary leave without pay in case of those employees who had no such leave or sufficient amount of such leave at their credit at the material time.

2. In course of processing such cases of regularization, it has come to the notice of the Board that a considerable number of Govt. employees could not join the training camps on the days following the days of their release from their previous assignments mainly due to the distance of the location of training camps from their previous place of posting. As a result they have suffered yet further breaks-in-service even if their break-in-service due to pre-service training itself is regularized under the G.O. referred to above.

3. In the above context the undersigned is directed by order of the Governor that the Governor after further consideration of the matter has been pleased, as a special case, to decide that such gaps between release from previous assignment and joining the pre-service training camp of such employees be regularized by grant of Earned leave or half-pay leave as might have been due to them at the time of their release from their previous assignment. In case of those who had no Earned Leave or half-pay leave or sufficient number of such leave at that point of time should be regularized by grant of extra-ordinary leave without pay which would however qualify for pension in terms of rule 30 of W.B.S. (D.C.R.B.) Rules, 1971 and in relaxation of rule 28 ibid.

Subject : Recruitment of LDC, Amin and Bhumi Sahayaks.

1.0. The recruitment of LDC, Amin and Bhumi Sahayaks was long overdue. The L&LR Department after it had received clearance from the Finance Department by its G.O. No.6807-ISU, dated 8th October, '99 had intimated the creation of additional posts. However, the further follow-up action could not initiated due to various reasons. Presently there is no further obstacle to the process and it should be carried out expeditiously.

2.0 Please find enclosed a statement regarding the available vacancies in the ISU for the cadres of LDC/Amin/Bhumi Sahayaks. Of the total vacancies available 30% is set aside for the exempted category. The rest has been decided strictly as per the guidelines of the Labour Department in G.O. No.500/100-EMP/1M-43/94, dated 7th October, 1997.

3.0 The total vacancies to be filled up on requisition through an Employment Exchange and the individual break up of categories viz. General, OBC, SC & ST have been given. It has been found that there are cases where recruitment to the SC/ST/EC/Promotion have been in shortfall to the prescribed requirement. This is proposed to be made up during this recruitment by adding/ deducting the requirement as is required respectively. No recruitment for the E.C. Category directly is proposed through this circular and the E.C. category shall be filled up as per the 100 point roster described in the Labour Department G.O. No. mentioned in Para 2.0. The promotion quota as prescribed in the recruitment rules is 10% of cadre strength for LDC and 25% in the case of Amins and Bhumi Sahayaks respectively.

4.0 Requisition in the prescribed form shall be placed with for the three cadres of LDC/Amin/Bhumi Sahayaks with the Dy. Director of Employment if available or the District Employment Exchange Officer at the District Headquarter level in the **ratio of 25 names for every vacancy** with request to circulate the vacancies to all other Employment Exchanges **within the district** without fail. Names should be sent **within 30 days** positively. A copy of the Recruitment Rules should be also sent for better understanding. Under no circumstances should any Employment Exchange be left out of the process.

5.0 The requisition should clearly state a further stipulation of providing the names of physically handicapped candidates of any caste category @ 3% and ex-servicemen @ 5% of any caste category invariably as per Labour Department Circular no.500(100)-EMP/IM-43/94, dated 7.10.97. In case of failure to send the names of these category or shortage, the Employment Exchange should without further delay intimate to you the paucity of candidates. You should keep in touch with the Employment Exchanges constantly.

6.0 The recruitment process would involved considerable manpower and energy as the last recruitment took place after the creation of the ISU in 1989. I would however expect that the process should be completed by 15.02.2001 positively for all the three cadres of LDC, Amin and Bhumi Sahayak. A guideline for the recruitment procedure to be followed henceforth is also being sent shortly.

RECRUITMENT PROCEDURE FOR LDC/AMIN/BHUMI SAHAYAK

After the approval of the Re-organization of the Integrated Set Up which was communicated by the Land & Land Reforms Department G.O. No.6807-ISU, dated 08.10.1999, it is now incumbent that the recruitment process should start immediately to ensure that the work is completed expeditiously before the onset of Elections. Hence, it is best that a clear cut recruitment procedure should be put in place well ahead to ensure that there are no untoward lapses on our part and which can vitiate the whole process altogether.

The **recruitment procedure** ordinarily consists of the following steps/stages :

2.0 Notification of vacancies to the Employment Exchanges

As per the West Bengal Regulation of Recruitment in State Government Establishment of Public undertaking, Statutory Bodies, Government Companies and Local Authorities Act, 1999 all recruitment shall be made through the Employment Exchange without fail. A copy of the recruitment rules should also be sent to clear any doubts.

3.0 Sponsoring of candidates

It should be ensured through constant contact that the Employment Exchange Officers respond satisfactorily. It has been decided that sponsoring of candidates shall be made @ 25 candidates for every vacancy. For Amins and B.S. 30 days should sufficient for sponsoring of candidates but in case of LDCs they may take upto 45 days.

Subject : Confirmation of the genuinity of the candidature of Shri Nikhil Chakraborty, Khalasi, for the Secondary School Examination, 1999 and Marks Sheets obtained from Bihar School Examination Board, Patna-17, Bihar.

Sir,

This is to bring to your kind notice that Shri Nikhil Chakraborty, Khalasi, working in the West Bengal Traverse party under the Directorate produced a Mark Sheet of Secondary School Examination, 1999 issued by Bihar School Examination Board, Patna for incorporating this acquired qualification in his Service Book.

A copy of the said mark sheet was consequently sent to Secretary, Bihar School Examination Board with the request to confirm the genuinity of the candidature of Shri Nikhil Chakraborty and the marks sheet obtained by him.

In response to our query Bihar School Examination Board informed us in its first report that the Marks Sheet in question was a false one but its second report declared it all true asking us to treat the first report as cancelled. Two different reports of the Board for the same incumbent appear to be surprising.

We have similar such cases from DLLROs also. Most of the DLLROs raised the vital issue in the Conference held at Survey Building.

He is therefore requested to kindly draw attention of the Secretary, Education Department, Government of Bihar for their opinion.

Yours faithfully,
C.R. Das

Subject : Proposal for employment assistance to near relation of a Tahsiladar appointed on Allowance-cum-Commission basis under the Land Reforms Department dying in harness.

In the context of the Labour Department Circular No.5120(60)-DW dated 17.10.77, the question of providing employment assistance to a near relation of a Tahsildar (employed on allowance-cum-Commission basis) dying in harness had been under consideration of Government. Since fresh recruitment in the post of Tahsildar has been banned because of the re-structuring of land revenue and contemplated re-organization of the Land Management Set-up, it was proposed that in case of a deceased Tahsildar such compassionate appointment may be made in the available post in district offices having regard to the qualification and suitability of the dependent member and in accordance with the provisions of the recruitment rule.

On a further consideration of the matter it has been decided by Government that each individual case shall be considered on its merit. Accordingly, he is requested to send up report on each individual case of Tahsildar dying in harness leaving his family in immediate need of assistance in the following proforma :

- (a) Name of the Tahsildar dying in harness;
- (b) Date of death;
- (c) Name and address of the applicant seeking employment;
- (d) Relationship of the applicant with the Tahsildar;
- (e) Educational qualification of the applicant;
- (f) Whether there is any vacancy in the district for providing the applicant with employment assistance according to his qualification in terms of para 3 of the Labour Deptt. Circular – 130 (60) DW dt. 25.1.78 and the name of such post.

The proposal should cover those cases only where the Tahsildar died in harness on or after 17.10.75.

No appointment in such cases should be given without the prior approval of the Board.

MEMORANDUM

A scheme for absorption of the Tahasil Mohurriors in regular establishment against available vacancies in Group D posts in phases has been under active consideration of the Government. After careful consideration it has been decided that all cases of absorption of the eligible Tahasil Mohurriors may be considered in the same manner as has been done in the identical cases of absorption of the Tahasil Mohurriors in compliance of the various orders of the Hon'ble High Court, subject to the terms and conditions detailed below.

2. (i) A very careful scrutiny ought to be made with reference to available papers i.e. acquittance rolls etc. and other corroborative records before entertaining the claim of the incumbents serving as Tahasil Mohurriors for the purpose of absorption.

(ii) After ascertaining the genuineness of the claim of the incumbents for absorption, a list of eligible candidates should be prepared with particular reference to their date of appointment, length of service, continuity in service etc. i.e. length of service should be the basic criterion and the names of candidates to be arranged in accordance with the date of engagement read with order dated 29.9.93 of His Lordship Mr. Justice Gitesh Ranjan Bhattacharyya in Civil Rule No.7592(W) of 1991.

(iii) Provisions laid down in Labour Department's Circular No.1700-EMP dated 3.8.79, which were operative at the material time, shall also be taken into account.

(iv) A reasoned order should be passed in all individual cases where the District Land and Land Reforms Officer concerned, decides against absorption of incumbents on account of their ineligibility to avert unnecessary litigation.

(v) No "Group-D" post shall be filled up from outside, except in "(die-in-harness" or similar nature) "Exempted Category" cases, till all eligible Tahasil Mohurriors are absorbed, subject to availability of vacancies in Group "D" posts.

(vi) While implementing the decision of absorption of Tahasil Mohurriors excess age of the incumbents, if any, may be condoned by the concerned authority under the relevant rules of the Government and/or as directed by the Hon'ble High Court.

(vii) Seniority of the incumbents shall be determined in accordance with the determination of Seniority Rule, 1981. Past services rendered by them elsewhere in any capacity prior to absorption shall not be taken into account under any circumstances.

(viii) Government decision in respect of any matters, retiring benefits and any other benefits shall be binding upon the concerned personnel after their absorption under this Government.

(ix) An undertaking has to be obtained from each individual in respect of the conditions laid down in items (vii) and (viii) prepage before his absorption in Government service in order to avert any possible litigation in future.

(x) An undertaking has also to be obtained from each individual Tahasil Mohurrior, if absorbed, to the effect that he may be posted anywhere in the State in the interest of public service.

(xi) The absorption of the eligible Tahasil Mohurriors shall be subject to due observance of all formalities i.e. Medical fitness, Police verification etc. as are normally observed in case of appointment of personnel in Government service.

3. The list of eligible Tahasil Mohurriors already prepared in respect of each district in the office of the DLRS including those who are petitioners in various court cases (in accordance with the Courts order) should reach the respective District Land and Land Reforms Officer within 15.11.98 positively.

The said list should be exhibited in the Notices Board of the office of the District Land and Land Reforms Officer concerned for a period of 30 (thirty) days with effect from 1.12.98. The D.L.&L.R.O. should also publish a notice in the leading newspapers of the district. The notice should contain the stipulation that a person claiming himself to be an ex- Tahasil Mohurrior and his name not finding place in the list, may file a petition duly supported by documents to the concerned authority within 30 (thirty) days i.e, within 31.12.98. No petition after 31.12.98 in support of the claim of absorption as Tahasil Mohurrior will be accepted by the authority under any circumstances.

This is issued in modification of circular number 1672-CD III dt. 17.3.97 issued earlier.

MEMORANDUM

To
The Director of Land Records & Surveys, West Bengal,
Alipore, Calcutta-27.

Sub : Absorption of Tahasil Mohurriors against Group-D post.

A Scheme for absorption of the eligible Tahasil Mohurriors in the regular establishment of this Department against available vacancies in the Group "D" post in phases was taken up for implementation, subject to certain terms and conditions stipulated in Land and Land Reforms Department Memo. No. 5670-GBIII dt. 15.10.98.

While ascertaining the eligibility of the Tahasil Mohurriors for absorption in the Group "D" post under the regular establishment, it has come to the notice of this Department, that a number of Tahasil Mohurriors were engaged below the minimum prescribed age of 18 years contrary to the provisions laid down in Finance Department Notification Nos. 8321-F dated 06.11.81 and 8322-F dated 06.11.81 for recruitment to the Group "D" Post of Peon/Night Guards etc.

A question has now arisen as to whether the Tahasil Mohurriors who were engaged below the prescribed minimum age of 18 years will be eligible for recruitment/ absorption in the said posts under the regular establishment of this Department.

After careful consideration, it has been decided that for the purpose of absorption of the Tahasil Mohurriors to the Group 'D' posts under the regular establishment of this Department, the provision laid down in Finance Department Notification Nos. 8321-F dated 06.11.81 and 8322-F dated 06.11.81 and also the provisions laid down in para 5 in Labour Department Memo No.1700-EMP dt. 3.8.79 shall apply mutatis mutandis in these cases. The incumbent who were engaged as Tahasil Mohurriors on commission basis below the minimum age of 18 years and has not worked for five consecutive years after attaining the age of 18 years shall be debarred from consideration for absorption in group "D" posts under the regular establishment of this Department even if they are otherwise found eligible.

It must be ensured that the above guideline and circular are strictly followed for absorption of Tahasil Mohurriors.
