No. 42 - Sr. Spl. Secy

Date 27/04/2022.

To
Shri Manas Bhattacharya,
Technical Director, NIC, WBSC.

Sub. Mutation of private *Debottar* land - regarding.

Mutation of *Debottar* property which is private in nature was allowed some time back by this department. Previously, before roll out of auto mutation process, plots which were in *Debottar khatian*s were flagged so that such plots can be kept outside the purview of auto mutation. Now in view of the recent circular of the Department, allowing mutation of lands held by private *Debottar*s, the *eBhuchitra* process flow of mutation module is required to be suitably changed so that mutation of private *Debottar*s can be done.

Hence, I am directed to request you to please look into the matter and make suitable changes in the process flow of mutation module so as to accommodate / allow mutation of plots held by private *Debottar*s. Directorate Computer section may be consulted in this regard for any queries and / or suggestions in this connection.

This may please be treated as URGENT.
