**Ref:** Your Letter dated 09.02.2023

Sir,

We have received your letter inviting us to participate in the movement organized by the consortium of Associations against Dearness Allowance being not paid by the Government of West Bengal.

We as an association of the employees of this State of West Bengal bear the same pain. We render our full support to the cause. We will send our representatives on 13.02.2023 in support. With regards to the call of cease work given by you we will like to say that we deliver citizen services and our program are prefixed in advance. Our participation in cease work in such short time may adversely affect innocent people in General. Hence for this date we are not giving a call for cease work but few numbers of representatives from our end will be present on the day and successive days as evolves.

Wishing success and thanking you.

Sincerely yours,

*Sumit Mukherjee*
