Office of the Director of Land Records & Surveys &  
Joint Land Reforms Commissioner, West Bengal  
35, Gopalnagar Road, Alipore, Kolkata-700027.  
Tel: 2479-5727/5991/7355.

Memo. No. 9/ 765-786 /C/18

Dated Alipore, the 24<sup>th</sup> April, 2018.

To  
The District Land & Land Reforms Officer,

**Sub: Correction of records on the basis of Mutation Certificate  
in Form-A.**

It is learnt from the O/C TSU, Howrah that many Mutation Certificates in Form-A have not been reflected in finally published ROR. It is a common problem in urbanised blocks where mouzas was long pending for final publication. During this period, mutation were done u/s 50 read with Sec 50A of the WBLRT Act '55 and Certificate of Mutation were issued to the petitioners.

And now after migration of F.P. records in e-bhuchitra, there are so many bonafide cases where khatians are not available in the name of person/persons in whose favour mutation was allowed. Such mistake might have taken place during data entry through MS-DOS.

In order to give relief to the citizens having proper Mutation Certificate in Form-A, he is requested to instruct concerned BLLROs/ Officer in Charge to incorporate such changes through 'ত্রুটিপূর্ণ তথ্যের সংশোধন' menu of e-bhuchitra module.

Instead of issuing case to case permission, BLLRO / Officer in Charge will prepare an inventory of such cases on the basis of applications of the petitioner as well as on own motion and bring to the knowledge of concerned SDLLRO. SDLLRO will supervise such work and cross - check sample cases periodically.

This Directorate may also be kept informed regarding progress of the work.

(S. Dutta)

Director of Land Records & Surveys &  
Joint Land Reforms Commissioner, West Bengal
