Sir,

I am directed to refer to the above subject and to say that in pursuance of the West Bengal Ethanol Production Promotion Policy, 2021, this Department has decided to waive off processing fee for mutation on land and processing fees for conversion on land to be used for the purpose of manufacturing/ production of green field fuel-grade ethanol in the State of West Bengal.

You are, therefore, requested to develop the e-bhuchitra module wherein a mandatory field should be created so that such waiver will be applicable on production of certificate of Director of Industries to that effect.

A report on compliance along with SOP may please be furnished to this end at the earliest.

Yours faithfully,

Senior Special Secretary
