Sub: Promotion from R.O to S.R.O-II and publication of gradation list of R.Os

Respected Sir,

After a long gap of almost 3 years the Department decided to give promotion to 69 Revenue officers. But due to deficiency in SAR being submitted / processed and or assets not submitted in time only 42 officers were given promotions out of the said zone of consideration as on date.

As of date, the total number of officers in the rank of SRO-II is 285. Now, 31 officers from the rank of SRO-II are soon to be promoted to W.B.C.S. (Exe). Additionally, 27 vacancies had been kept in reserve earlier due to non-submission of SARs, etc. Therefore, the total number of promotions (including the 27 reserved vacancies) that may be awarded soon is: $(347 - 285 + 31) = 93$ promotions.

The Association suggests the following measures for decoding the 27 reserve vacancies:-

- 1) For those officials whose cases have not been considered because of pendency in assets their case could be discarded by giving a simple deadline because submission of asset is personal liability.
- 2) For those officials who have submitted SAR duly but those are pending before the reporting/reviewing/accepting officer may be awarded promotion on the ground that they have no fault on their part.
- 3) For those officials who have not submitted SAR in time may not be given the benefit of vacancy being reserved for them eternally. A simple general notice may be issued prior to implementation.

We will also like to request you to publish updated gradation list of Revenue officers as soon as possible

Thanking you.

Sincerely yours,

Sumit Mukherjee
